The Art of Beauty

SURGICAL OPERATIONS

Art Clinic offer professional treatment at a very high level and we always take into consideration our patient's individual requirements. Art Clinic's doctors, and other staff, all have many years of experience in plastic surgery. Several of our surgeons are internationally renowned.

Our nurses and doctors are fully qualified and have specialist training. Our plastic surgeons are members of the Swedish Association of Aesthetic Plastic Surgery as well as international associations. other international associations.

ETHICAL PLASTIC AND RECONSTRUCTION SURGERY

Our surgeons repair congenital deformities, perform re-

constructing surgery after surgical incisions and accidents. This experience of working on human tissue is a firm foundation for achieving excellent results also within the plastic and reconstructive surgery fields.

Art Clinic offers plastic surgery and reconstructive surgery within the following fields:

FACE: Brow, eyelid, nose, chin, cheek, ear, etc.

BREAST: Enlargement, reduction, lift.

LIPOSUCTION/LIPOSCULPTURE: Fat removal, tummy, tuck, etc.

INTIMATE: Female.

RECONSTRUCTIVE: Congenital deformities, accidents, etc.

Our competence gives confidence

EAR, NOSE AND THROAT SURGERY (ENT) – OPERATIONS

Our Ear-Nose and Throat doctors and staff have many years of experience in the private sector.

The clinic performs both outpatient operations as well as more extensive surgery. Overnight stays are monitored by staff trained in intensive care.

RADIO SURGERY TREATMENT

One of our specialist areas within ENT is treating snoring disorders. Art Clinic is one of the first clinics in Sweden to introduce this advanced operation method to cure snoring with high frequency radio surgery.

Art Clinic offers ENT operations within the following fields:

- Endoscopic sinus surgery
- Congenital protruding ear surgery
- Nasal septum repair
- Snoring – high frequency radio surgery
- Turbinate surgery
- Sleep assessment – CPAP (Continuous Positive Airway Pressure)

Adapted to your individual needs and wishes...

VASCULAR SURGERY

VARICOSE VEINS – VARICES

Varicose veins and spider veins are disorders in the blood vessels. Varicose vein surgery involves the removal of the unhealthy stretched and superficial veins. The most effective treatment for smaller spider veins on the legs, is to inject a substance which causes the vein to shrink.

Our operations/treatment within the vascular area:

- Varicose veins
- Spider veins

OTHER SURGICAL OPERATIONS

Our surgeons are experienced in many medical fields. As one of the leading private medical clinics in West Sweden, we also offer specialist health care within the following fields:

- Gynaecology
- Clinical physiology
- Laser treatment (tattoo removal/wrinkle reduction)
- Skintightning and hair removal
- General surgery

Beauty comes from within...

MEDICAL SKIN CARE

Art Clinic believes in treating the complete individual. As part of our “complete care-concept”, we offer our overseas patients a free skin care consultation.

INDIVIDUAL SKIN CARE PROGRAMME

Art Clinic has a special skin care department where our skin therapists cooperate with our plastic surgeons to give you an individual skin care programme. The products we offer are developed especially for plastic surgery patients.

Some of our products may only be used for treatment in medical clinics where doctors are employed. Our skin therapist analyses your problem and gives a diagnosis. In certain cases, the skin specialist consults the clinic's doctors for advice.

As part of our overall patient care, we also offer:

- Dietary advice
- Personal trainer

Professional care in friendly surroundings

OUR PREMISES

We are very proud to present our clinic which is especially designed to suit our purposes. We offer our patients a calm and safe hospital environment. An open fireplace, light Swedish furnishing and a beautiful outside garden contribute to the warm atmosphere.

OUR STAFF

Art Clinic always puts you in the centre. We provide an efficient nursing care before, during and after surgery.

To ensure the safety of our overseas patients, we prefer that you spend a few days in Sweden both before and after your operation. During this time, you are welcome

to contact the clinic if you have any concerns. Our surgeons are available 24 hours a day for telephone advice.

CLINIC MEDICAL EQUIPMENT

The clinic is equipped with ultra-modern medical equipment. Our operating theatres fulfil the EU standards for function and safety.

OVERNIGHT STAYS

Patients come to us from all over the world. If you are accompanied by a relative or friend, Art Clinic cooperates with several high standard hotels. Contact us for recommended accommodation.

IT IS EASY TO FIND US!

We are located in Gothenburg, Sweden's second largest city, the home of Volvo and the gateway for Scandinavian trading. Gothenburg boasts two international airports and has ferry connections with all neighbouring countries including Great Britain, Denmark, Germany and Norway. So, it is easy to come to us!
